Attorney Docket No.: 1038406-000005

**DECLARATION UNDER 37 CFR SEC. 1.131**

1. The presently claimed invention was conceived and reduced to practice by May 11<sup>th</sup>, 2001, as shown in US provisional patent application 60/290,014, for which I am the named inventor. Appendix A.

2. The presently pending application claim benefit to US provisional application No. 60/417, 251 filed October 9<sup>th</sup>, 2002.

3. I continued to conduct research between May 11<sup>th</sup> 2001 and October 9<sup>th</sup>, 2002, as evidenced by the attached notebook records. Appendix B.

I hereby declare that all statements made herein of my knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, Section 1001 of Title 18 of the United States Code and that such willful false statements my jeopardize the validity of the application or any patent issued thereon.
